**DETAILS OF OFFENSE:**

While investigating a child neglect call, Det. Davis made contact with Portsmouth Naval Hospital ER doctor, Dr. Bechtal, who advised that the victim infant baby was brought in to the ER by his Mother Allie Strawn. Dr. Bechtal advised that upon conducting X-rays on the victim, it was determine that he had a fractured rib that was not present on 2/17/13. Upon speaking with Allie Strawn, she stated on 3/4/13 she left the victim with his father Mathew Strawn, who has a order of protection for the victim. Mrs. Strawn stated she left the victim in the Barracks at 200 Effingham St., and went to Wal-Mart and upon return two hours later, she observed Mr. Strawn striking the victim on his back hard, attempting to belch the victim. She advised Mr. Strawn of his actions and warned him that he was striking the victim too hard. Mrs. Strawn advised that shortly after the incident the victim began expelling blood and milk and had labored breathing. Mrs. Strawn advised that she was well aware of the Order of Protection for the victim and continued to allow Mr. Strawn access to the victim by taking the victim to visit at the barracks over the past month. I'm requesting warrants for Felony Child Neglect, Malicious Wounding and Violation of a Protective Order for Mathew Strawn. I'm requesting warrants for Felony Child Neglect and Contributing to the delinquency to a minor for Allie Strawn.
